

Walk-behind traction sweeper

The machines are also suitable for the cleaning of large carpeted areas. The FLOORTEC 350 sweeper is the most effective solution for dust-free sweeping in small and narrow areas. Rugged design, low noise level and dust-free sweeping for both in and outdoor use. The filters can be replaced and the brooms can be adjusted/changed in no timewithout any use of tools.

- Adjustable ergonomic handle
- Control panel with battery level indicator
- Handle can be folded for easy transport
- Traction transmitted via the back wheels
- Adjustable main and side broom
- The brooms can be changed without the use of any tools
- The large polyester filter can be inspected/changed without tools
- Manual filter shaker

The FLOORTEC 350 sweeper is the ideal solution for small to medium sized cleaning jobs like service stations, small car parks, school yards, small factories and small warehouses.
