

Manually operated sweeper for indoor & outdoor maintenance of hard surfaces

Perfect for sweeping small amounts of dry dirt, sand, gravel, small cans and cigarettes, etc. Non corrosive frame makes this manual sweeper robust and suitable for private consumer use. The two main and side brooms makes these compact manual sweepers extremely efficient, 5 times faster than a traditional broom.

- Folding handle for easy storage and transport
- Light and strong hopper with carrying handle makes it easy to empty
- Large hopper minimizes the time spent on emptying the hopper
- Adjustable side and main broom to compensate for brush wear
- Sturdy construction ensures long life

Manually-operated sweeper for small areas. Adjustable main and side broom, foldable handle. Robust large hopper with carrying handle. Perfect for light duty or consumer use.
